DON'T HUG A DELUSION.

Something "Just as Good" an Impossibility—If Not the Original Have Nothing at All.

For a woman to adorn her head with false braids, puffs and rats, or a man to wear a topee, is like buying an off brand hair preparation instead of Newbro's Herpicide. The "false hair" and the "off brand" are both substitutes for the real thing. The original is always conceded to be better than any imitation or substitute. "Something just as good" is a heresy of the rankest kind.

Newbro's Herpicide is the original remedy and does as promised. Years of success and thousands of satisfied users have made it standard. Herpicide kills the dandruff germ, keeps the scalp clean and stops falling hair. Its proper use before baldness appears makes false hair and wigs unnecessary.

There is no uncertainty. The purchaser gets positive results or money is refunded. It is sold and guaranteed by all druggists.

Applications may be obtained at good barber shops and hair dressing parlors.

Send 10c in postage for sample and book on "The Care of the Hair" to The Herpicide Co., Dept. R., Detroit, Mich.
